

Rand McNally Celebrates the 40th Edition of the *Motor Carriers' Road Atlas*

The 2021 edition of the trucking atlas for professional drivers released today

CHICAGO, June 23, 2020 – Rand McNally today shipped out the new annual edition of its *Motor Carriers' Road Atlas*, marking the 40th anniversary of the best-selling atlas for professional drivers. The atlases are landing in travel centers, in bookstores, on e-commerce stores, and at <https://store.randmcnally.com>

The 2021 edition of the atlas – featuring fully updated truck-accessible roads, state trucking regulations, and fuel tax charts – is available in paperback as well as a version with laminated pages and a stay-flat spiral binding.

“For forty years, *The Motor Carriers' Road Atlas* has been an invaluable tool for professional truck drivers,” said Stephen Fletcher, CEO of Rand McNally. “Today Rand McNally is a leader in technology for the commercial transportation market; however, many drivers continue to depend upon the printed atlas for a big-picture reference as well as for a back-up in truck cabs.”

The new edition includes thousands of updates to the maps as well as revised regulatory and state/province information. This year, the atlases include:

- Updated U.S. state and Canadian province maps, including the renaming of a section of Interstate 680 to Interstate 880 in western Iowa, adding Loop 202 around Phoenix, and updated interstates in Rhode Island with mileage-based exit numbers;
- Revised restricted routes, low-clearance, and weigh station locations;
- A 22-page mileage directory that includes more than 40,000 truck-route-specific, city-to-city mileages;
- An updated fuel tax chart as well as revised state and province information including weight and size limitations, registration guidelines, and phone numbers and websites for state police and operating authorities;
- Hotlines for road construction and conditions;
- Updated toll system contact information for each state;

- And, an updated review of Hazardous Materials (Hazmat) regulations.
